To the Board of Directors of the Florida Paso Fino Horse Association:

Please accept this as my formal resignation from the position of President of the Florida Paso Fino Horse Association. The Paso Fino horse has been my passion for the majority of my life and I feel honored to have been associated with this outstanding organization for over 40 years. For personal reasons, I find I can no longer dedicate the time and energy to the association that it deserves. I have treasured and valued the privilege of leading this organization through many of its triumphs and low points. I thank all the board and the members for the opportunity to be a part of this wonderful group of equestrians. Please feel free to contact me at any time. As past president, I will answer the call if needed.

Best wishes for continued success for the association.
